

Nevada Commission on Off Highway Vehicles (NVCOHV)
 Law Enforcement Funding Requests and Recommendations
 Through the Office of Criminal Justice Assistance (OCJA) - 2015

Applying Agency	Project Title	Amount Requested	Items Requested	Goals Summary	Attributes/Justifications	Deficiencies	Scores Order	Recommended Funding
Humboldt County Sheriff's Office	Ride Safe and Smart	\$ 19,117	\$15, 523 in 328 hrs of overtime. \$900 in graphic design and brochures \$956 in supplies and mileage \$ 1,737.96 in indirect costs (10%) Total: \$ 19,116.96	In partnership with the Nevada Outdoor School (NOS) will conduct outreach and enforcement program. Educational brochure developed; hosting of 2 OHV Fairs with VIN inspections and registration info and forms provided. Patrol of high incident areas.	Provided statistics of previous incidents and justification for overtime funds. Provided measureable outcomes for each activity which tied to goals. Statement on need of education and contact with community. Provided statement of coordination. Stated times and areas which would receive added patrols. Provided time frame. Provided adequate evaluation. Provided match.	OT hours for patrol were stated two difference ways. Evaluation and goals should be tied together a little better.	82	Fully fund \$ 19,117
Washoe County Sheriff's Office	Off Highway Vehicle Enforcement	\$ 21,694	2 on/off road 2015 KTM 500 EXC motorcycles \$ 10,847 x 2 = \$ 21,694	Enforce OHV vehicle laws. Make outlying areas safe and enjoyable for community. 2 deputies, 2 dirt bikes average 30 hrs per week throughout the year.	Provided basic justification for use of motorcycles. Goals and objectives were concise and measureable. Provided evaluation mechanism.	Should state who (position) will do the evaluation. No statement of coordination or timeline. No coordination.	76	Fully fund \$ 21,694
NV Dept. of Wildlife	Off Highway Vehicle Fund	\$ 29,135	500 hrs of salaries and overtime when monitoring/patrolling OHV registration and enforcing laws. (5% of FY 14 regular and OT hours recorded will be used for this enforcement activity.)	Maximize compliance of registration requirements of OHVs and enforce laws and regulations.	Provided some justification with some statistics and projections, but could have been stronger. Objectives can be measurable if written a little differently. Extensive network of partnerships noted many which use OHVs. States they are open to working with OHV use groups specifically as well.	No timeline No sustainability plan for future patrolling. Doesn't explain well how salary and OT portions will be allocated and who makes the authorizations. Doesn't explain positions and salary fully.	66	Partial funding* \$ 15,000 With emphasis on requiring good documentation reporting for evaluation and decision making if they request funds in future years. Funds should be for straight salary or OT not benefits. State should cover all benefits.

Applying Agency	Project Title	Amount Requested	Items Requested	Goals Summary	Attributes/Justifications	Deficiencies	Scores Order	Recommended Funding
Lincoln County Sheriff's Office	Education & Enforcement for OHV	\$ 25,500	\$500 graphic/set up fee for OHV pamphlets; 1 ATV and 1 trailer	Education and enforcement of NRS 490 OHV registration and operation; increase OHV registration Contacts from 200 to 300.	Goal/objectives are not great but adequate and can be made measureable, some with timelines. No coordination with other agencies listed, but will utilize ATV for search and rescue and task force operations as well.	Evaluation should describe what information will be reviewed. Use for other activities is good as long as OHV activities continue to be completed accordingly. Not enough information on the problem. No quotes.	66	Fully fund \$ 25,500
Mesquite Police Department	Trail Patrol	\$ 21,907	1 RZR 4 900 Police pursuit OHV with police equipment package	Establish police presence on trail system; officers assigned to trails for 8 hrs per day during major events and during the summer months. Emergency response activities will be conducted as well.	Currently the trail system is unattended by law enforcement. There are several major off road events each year in the area and OHV users utilize the trails year round.	Doesn't supply data on # of activities needed. Goals and objectives not measurable. Methods weak. Evaluation doesn't say who, what or how. Police equipment package funding could be omitted.	61	Fully fund \$ 21,907
Mineral County Sheriff's Office	Enforcement Off Highway Vehicle	\$ 28,873	Polaris RZR XP 4 1000 EPS	Enforce registration, patrol areas to enforce state and local laws and assist the public. Use 1 at least 1 a month, more during summer. Patrol a minimum of 25 times per year. Contact w citizens and citations would be tracked.	Outlying areas will be patrolled to enforce the laws to include registration of OHVs. Currently there is no way for MCSO to patrol, educate or cite citizens. Only way to conduct search and rescue activities is to use other agencies or individuals. Willing to work with Tribal Police and county search and rescue. Additional equipment requested is reasonable.	Could have used more stats to define problem. Goals and objectives need to be more measurable. Methods weak.	57	Fully fund \$ 28,873
Mineral Co SO								
Douglas County Sheriff's Office	Off Highway Vehicle Patrol	\$ 20,000	400 hours of overtime for two officers at time patrolling trails during weekends and holidays	To enforce laws on public lands including unsafe behavior, address violations and provide a safe environment.	Currently conducting some OHV activities.	Didn't provide adequate need for hours; # times required in past. More concise summary of activities should be developed.	51	Partially fund; *\$ 10,000 with emphasis on requiring good documentation reporting for evaluation and decision making if they

DCSO continued..						Goals and objectives are insufficient and not measurable. None of the sections were completed with necessary information.		request funds in future years. Make them justify their usage.
Lyon County Sheriff's Office	Search and Rescue	\$ 26,453	XP900 Polaris/roof wiper/wench kit, trailer, and decals	Respond to search and rescue.	LCSO currently uses individual's ATVs for activities/demonstrates some commitment. Willing to keep equip. maintained.	OHV registration, trails not mentioned in goals. Goals not measurable. Methods weak.	44	*Fully fund \$ 26,453
White Pine County Sheriff's Office	OHV Ready Response Trailer	\$ 24,000	Enclosed Trailer to haul two OHVs at the same time.	Maintain ready status for search and rescue, OHV law enforcement, recovery of marijuana grows.	Trailer will enable WPCSO to utilize the two current OHVs.	Need to identify clear and measurable objectives. Need to state they will utilize for OHV registration/education more clearly.	42	*Fully fund \$ 24,000
	Total Request	\$ 216,679				Recommended Funding		\$ 202,544
