REGISTER YOUR OFF-ROAD VEHICLE

3 EASY STEPS

1. SELECT THE APPROPRIATE FORM
2. TAKE APPROPRIATE FORM AND VEHICLE FOR A VIN INSPECTION
3. COMPLETE APPLICATION AND MAIL IN SUPPORTING DOCUMENTATION

1. SELECT THE APPROPRIATE FORM

Registration forms and procedures differ depending on when and where your vehicle was purchased or whether it is homemade. Click on the appropriate link. Please read the application and forms carefully. A separate form is needed for each vehicle. [CLICK HERE](#) for help selecting the correct registration form.

2. TAKE APPROPRIATE FORM AND VEHICLE FOR A VIN INSPECTION

A Vehicle Identification Number (VIN) inspection will have to be completed by a licensed Nevada OHV dealer or a sworn law enforcement officer if your vehicle has never been registered or titled in Nevada. See OHV Business License Verification for a list of licensed dealers.

[CLICK HERE FOR AUTHORIZED VIN INSPECTION DEALERS & LAW ENFORCEMENT OFFICERS](#)

Please note: The DMV will not perform VIN inspections for Off-Highway Vehicles

3. COMPLETE APPLICATION AND MAIL IN SUPPORTING DOCUMENTATION

The dealer who completes the inspection may submit the application and other documents on your behalf or you may mail them yourself. Dealers may charge up to \$2 for each registration and/or title application submitted.

The Nevada Certificate of Title, if issued, is processed separately from the registration decal. The DMV may contact you for additional information or proof of ownership. The title will be mailed to the lender or other lienholder, if any, or to the owner if there is no lienholder.

PLEASE NOTE:

When you receive your registration decal, affix the decal to the Off-Highway Vehicle. Decals are issued *by mail only*.

Renewal can be done online or by mail --once you've registered, it is much easier going forward.
