**Date: April 24, 2020**

**RE: Proposed Permanent Changes to Nevada Administrative Code 490**

**I, Nikhil Narkhede, Off Highway Vehicles Program Manager, do hereby certify that, to the best of my knowledge or belief:**

**Pursuant to NRS 233B.060, the proposed administrative regulation changes are not likely to (a) impose a direct or significant economic burden upon a small business, or (b) directly restrict the formation, operation, or expansion of a small business.**

**The Nevada Off Highway Vehicles Program has determined that its proposed changes have no significant negative effect on Nevada Small Businesses and have a potential positive benefit to the economy. Proposed changes are related to the administration of Nevada OHV grants and submitting documents for OHV Registration. The goal of these administrative changes is to simplify the registration process, and better review grant applications to improve OHV recreation in Nevada.**

**Comment has not been solicited from small businesses, and no summary of their response is provided, because small businesses are not impacted by these regulations and thus a burden or economic impact cannot be assessed.**

**Respectfully,**

**Nikhil Narkhede  
Off Highway Vehicles Program Manager**
