Re: **Right Rider Access Fund – FY2021 Grant Award**

Dear Lacey:

Thank you for submitting a grant application to the Right Rider Access Fund (“RRAF”). We appreciate the good work you do, which supports RRAF’s mission to promote the safe and responsible use of off-highway vehicles and to preserve OHV access to appropriate lands.

RRAF is pleased to award Reno Area Dirt Riders a grant for FY2021 in the amount of \$20,000, contingent upon submission of documentation sufficient to show project viability. Please contact me to discuss your plans for the NEPA surveys. Please also carefully review, then sign and return to me, the attached RRAF Grant Agreement. Once the Agreement is fully executed, we will process payment.

If you have any questions, please call me at (703) 416-0444 x3209.

Sincerely,

A handwritten signature in black ink, appearing to read "Alex Berger". The signature is fluid and cursive, with a long horizontal stroke at the end.

Alexander Berger

Dear Ms. Barnett,

Yamaha Motor Corp., USA, is pleased to inform you that the Reno Area Dirtriders application for an Outdoor Access Initiative grant has been approved for \$30,000 to complete the required environmental and cultural surveys for the Peavine Maze Connectivity project.

As you know, the Yamaha Outdoor Access Initiative combines the strength of Yamaha's national dealer network and customers to create a unified force supporting safe, responsible riding and sustainable, open riding areas. We are pleased to partner with the Reno Area Dirtriders on its efforts to create safe, sustainable trail systems and improve OHV access opportunities on the Humboldt-Toiyabe National Forest.

Please find the enclosed materials that make up our Welcome Packet which include templates for providing status reports on the Peavine Maze Connectivity - Phase 1 as well as tools for helping to communicate your award and project success to your community. Specifically, the Outdoor Access Initiative Welcome Packet includes:

Reporting Templates*

- Project status report template
- Responsible Rider checklist

Project/Grant Marketing Materials

- Marketing guidelines – includes concepts and direction for public relations, social media and event planning
- Press release template announcing grant
- Media alert/event notification template
- Letter to elected officials announcing grant
- Calendar alert template

**Each grant recipient is required to provide status reports showing progress and results from your grant application*

On behalf of Yamaha, we'd like to thank you for all the time and effort you've put into your projects. We'd also like to help spread the word about the great work you're doing. To help us, we ask you create a 30 to 60 second video talking about how the Yamaha OAI grant has helped your project.

Need help? Please refer to the marketing guidelines in the enclosed grant materials.

Congratulations on your Yamaha Outdoor Access initiative grant. We wish you great success in your project and look forward to learning about your efforts in supporting safe, responsible riding and open, sustainable riding areas. If you have any questions, or we can be of any assistance in implementing your grant, please contact Lisa Spicer at 877-OHV-TRAIL.

Best regards,

The Yamaha Outdoor Access Initiative Grant Review Committee
