SECTION II – LOCATION, MAPS, PHOTOS

Project Location:

County: Statewide & Clark County, Nevada

Nearest Municipality/Town/City: Searchlight, Primm, Laughlin, Nelson

Center of project: Latitude: _____ Longitude: _____ \

If the shape-files for the trail system are available, please submit them in the e-file. The shape-files of the trail will be required at project end. Program will assist in the collection of the data if needed. Exact locations will be coordinate with the Bureau of Land Management.

MAPS ARE A VERY IMPORTANT PART OF THE APPLICATION. THEY ARE REQUIRED AND CONSIDERED PART OF THE FINAL AGREEMENT IF FUNDED.

Required Maps: for all maps please include a legend, north arrow, scale, and map name.

Topographic maps preferred. You may include *additional* aerial/google maps.

- ☐ General location map (showing project area within the state or county)
- ☐ Detail map indicating specific project elements (e.g., structures, trail alignment)
 - Maps larger than 11x17 will not be accepted

Please attach the following photographs:

- ☐ *At least two (2) overviews of the project area from different angles and distances. (Good photographs at trail level and google aeriels help the scoring committee to understand the location, depth and breadth of your project.)*

SECTION III - Federal Lands or Other

Federal Environmental Compliance

A. If Federal funds or Land are a part of the project and NEPA was completed, indicate which document was produced, and **please attach the decision document to this application:**

- ☐ Record of Decision (ROD)
- ☐ Finding of No Significant Impact (FONSI)
- ☐ Categorical Exclusion (CX)
- ☐ SHPO 106 compliance/concurrence letter.
- ☐ Other compliance documents already completed. (do not attached the EA or EIS)
- ☐ Not applicable

If NEPA or planning is a part of the project describe the steps in the Scope Section I, #13.

SECTION IV - BUDGET

Proposed Budget: Provide your budget details to include at a minimum the items in the following table. You may create your own spreadsheet.

- Your budget must align clearly with your scope of work from #13. Be specific, as your application will rate higher.
- Reminder: Include all sources of funds for the completion of the project including federal, in-kind, private/city/county and state funds.
- **Attach copies of estimates to support your budget and identify what each contract will include.**

The project will be reviewed for potential environmental impacts and if necessary, BLM will provide the appropriate NEPA documents.

SECTION V – PRIORITIES AND SCORING NARRATIVE

Grants will be scored based on answers to the Ten (10) criteria listed below. Each criteria carries a weight determined by the OHV Commission, voted upon during the public meeting on 9/7/2021. Please reference scoring criteria form.

- 1. Law Enforcement Strategy that addresses registration enforcement, including Public Education & Outreach aimed at increasing renewals and new registrations:** *How will your project increase the number of OHV registrations on the district. How will the equipment and time be used to increase OHV safety and awareness? Please reference the Law Enforcement Statistics reporting form.*
Hosting Off-Highway Vehicle Registration Events & Working with OHV Organizations (Dealerships) & Marketing Initiatives increase Off-Highway Vehicle Registrations
- 2. Enhancement or Maintenance of existing trails and facilities:** *How will maintenance needs be prioritized and how often will your project hold a maintenance/ trails enhancement event? HOW will your project be maintained and WHO has committed to the ongoing maintenance of the facility or trail (note: a minimum of 2 maintenance/ trail events are required per year).*
Bureau of Land Management and Clark County said that they support a trail cleanup in the following Areas: Searchlight, Laughlin, Primm & Nelson.
- 3. Training:** *Please describe the goals and objectives of your public safety training program. Is it a nationally recognized certification? What sets your safety training program apart from the others?*
We can work with a Police Department(s) or other Organization to Create Safety Videos as needed.
- 4. Trail mapping and signing of existing trails and facilities:** *If a mapping component is included in the grant, please describe how it will be integrated with the current web mapping application found on OHV.NV.GOV*
We work with the Great Basin Institute to keep the trails maps up to date on the State website (OHV.NV.GOV).
- 5. Connectivity/Loops:** *How will the project impact connectivity of OHV trails, facilities, and local communities? Please include maps of areas impacted by your project and describe those impacts.*
By doing trail cleanups in the areas of Searchlight, Laughlin, Primm and Nelson we can improve the conditions of the area and better the community at-large.
- 6. Planning, Environmental Studies, Conservation:** *Describe how the environmental studies, conservation and/or planning will mitigate resources impacted by OHV recreation. How will your project contribute to the conservation of our natural resources, while enhancing OHV opportunities?*
The proposed trail cleanups assist with the health of the area and by removing refuse from a public land we are preserving the beauty and integrity of the area for all.

7. **Access:** *Please describe how your project improves OHV access in the project area. Explain what access/opportunities would be lost or restricted if the project does not occur.*
The OHV website (OHV.NV.GOV) provides information of OHV Registration, Trail Maps and Grant Applications. The OHV website has a “Get the Dirt Page” associated with each trail that highlights the local community for each trail which may include links to a Local Chamber of Commerce and other nearby attractions. This benefits the local community by providing a prospective trail rider information prior to their trail ride. Information on the trails land manager is also provided which improve access for patrons. The Resources section of the OHV website includes links to Clubs and Associations, Dealerships, Land Managers and other resources accessible to the public.
8. **Partnering and Leverage:** *Who else is involved in this project? Please describe outreach with stakeholders, partners and local governments, that you have communicated with in planning this project.*
MXT Media works with DCNR, DMV, USFS, BLM, NPS, NDOW, Clark County & Police and Sheriff Departments regularly and as-needed
9. **Economic Integration:** *How will this project improve OHV recreation opportunities that help local, regional, or state economies grow?*

The OHV marketing strategy of assisting local Police Departments & Sheriff Departments throughout the State & Government Agencies (State & Federal) with identifying their needs and then creating them (advertisements, videos, etc.) will help the entities closest to OHV users be successful. When we assist with marketing efforts on a local level mirror the branding of the State OHV Program, we will hopefully support and grow the economies on a local, regional, and state level.

10. **Demand for New Facilities:** *Please provide justification for NEW facility/program development: restrooms, trails, signs, and other amenities.*

MXT Media can create a survey and place on the OHV website (OHV.NV.GOV) & social media and ask respondents to complete the survey and make suggestions of new facilities. The OHV Commission can use the survey to gauge future endeavors.

5. The Nevada Off-Highway Vehicles Program Website (OHV.NV.GOV)

Subconsultant - Once Interactive (\$500/Month | \$6,000/Year)

MXT Media oversees and works collaboratively with the Subconsultant, Once Interactive, to maintain and update the State of Nevada Off-Highway Vehicles Program website (<https://ohv.nv.gov/>) which is the primary source and resource to communicate with off-road enthusiasts throughout the State of Nevada which includes information on Off-Highway Vehicle Registration & Obtaining Titles, Trails Maps, Associations, Off-Road Smart Tips from Real Nevadans, Grant Information and the Commission pages.

MXT Media collaborates with the [State of Nevada - Department of Conservation and Natural Resources](#) on a daily, weekly and monthly basis to ensure that the information on the website is accessible and communication initiatives are being met. MXT Media works closely with the [State of Nevada - Department of Motor Vehicles](#) to keep information on the Off-Highway Vehicles Website Registration Page accurate and up to date with State of Nevada laws. MXT Media collaborates with the [Great Basin Institute](#) regarding the Off-Highway Vehicles Website Trail Maps Pages (<https://ohv.nv.gov/trails>) & "Get the Dirt" Pages.

MXT Media updated the current version of the Off-Highway Vehicle Website (2020-2021 Grant Cycle) as follows:

- a. **High-Energy Graphics** - The look and feel of the website is designed to visually appeal to the energetic nature of an off-road enthusiast and include intuitive elements with a more responsive menu and layout.
- b. **Mobile Design (Mobile, Tablet)** - The Mobile Design is much more User Friendly and Responsive than the previous version.
- c. **Security Enhancements** - Upgraded to the latest version of Expression Engine EE6 (Per Department of Conservation and Natural Resources IT Standards)

This new version brought stability, security, and functionality improvements to the Content Management System. This new version will stay up to date with the new versions of PHP and MySQL for five years and support them as it does not introduce any breaking changes.

- d. **PHP Version was also updated** - from 5.4 > 8.0.X

Nevada Off-Highway Vehicle Program

The Nevada OHV program promotes safe and responsible use of Nevada's outstanding opportunities for off-road recreation. The program provides grants to fund OHV related projects throughout the state including trail improvements, mapping, education, safety and other projects. See About Us for Commission members.

OHV Registration Program

To register your OHV click on the REGISTRATION TAB on the header.

Nevada's program to register and title off-highway vehicles (OHVs) went into effect July 1, 2012. Nearly all OHVs greater than 750cc, and 1976 or newer, must be registered and display a registration decal to be operated legally in the Silver State.

The cost for an annual registration is \$21. Applications are accepted and decals are issued by mail only. See Registration and Frequently Asked Questions for complete details.

You may also call us during normal business hours:

- (775) 684-4381 in Carson City/Reno/Sparks
- (702) 486-4368 option 8 in the Las Vegas area.
- (877) 368-7828 option 8 in rural Nevada.

Additionally, OHV dealers must be specifically licensed to sell off-highway vehicles.

Why Register?

Your registration fees benefit the OHV community and Nevada as a whole in many ways:

- Improve trails and facilities
- Protect the land through education and enforcement
- Protect your vehicles against theft
- Keep Nevada dollars in Nevada
- Encourage tourism
- Registration is now the law in all western states.

c. Digital Media (Beasley Media Group) - \$10,000/Year

MXT Media collaborated with Beasley Media Group to create a multi-media advertising campaign which included Streaming Audio, Video & Visual Graphics. Individuals were targeted on their desktop and mobile devices if a user expressed interest in off-road related topics. The campaign then retargeted users by redelivering the message and encouraging a user 'click' on a button to 'learn more' and would be redirected to the State of Nevada Off-Highway Vehicles Website Registration Page where they could download a Registration form.

The **key performance indicators** were the number of Off-Highway Vehicle Registration Form downloads which totaled **1,185 total form downloads** and generated an estimated **\$23,700 worth of revenue**.

OHV Registration Forms	Total Downloads	Amount	Total
Dealership	129	\$ 20.00	\$ 2,580.00

RE: Mesquite Police Department Reference Letter – MXT Media

Dear Nikhil,

This letter is to recommend MXT Media for full consideration of their OHV Grant Application for the upcoming year(s). MXT Media has successfully collaborated with Mesquite Police Department on a number of Off-Highway Vehicles Initiatives and we hope that the State of Nevada Off-Highway Vehicle Commission will extend the opportunity for MXT Media to work with other Police & Sherriff Departments throughout the State of Nevada. MXT Media's efforts have increased OHV Registration in Mesquite as well as increased public education and safety of OHV's in the Virgin Valley.

The Mesquite Police Department has successfully worked with MXT Media in the past as follows:

- OHV Registration Events
- Revised City of Mesquite Police Department OHV Map Handout
- Revised City of Mesquite Police Department Online OHV Web Page
- Print Media Ad Creation & Ad Placement
- Digital Media Ad Creation & Ad Placement
- OHV Event Registration Flyers & Web Assets

If you need additional information, please do not hesitate to contact me.

Thank you,

Re: Off-Highway Vehicle Education & Marketing

Dear Commissioners:

The above stated project has the support of the Bureau of Land Management (BLM) Las Vegas Field Office, as of November 15, 2021. The location for the proposed project is within lands managed by the BLM. If approved, the grant would allow MXT media to conduct desert cleanups in and around the following areas: Searchlight, Primm, Nelson, and Laughlin Nevada.

The proposed project is consistent with land use allocations described in the approved Las Vegas Resource Management Plan (1998) and in compliance with applicable federal, state, and local laws and regulations. The project will be reviewed for potential environmental impacts and if necessary, BLM will provide the appropriate National Environmental Policy Act (NEPA) documents, as required by the NEPA.

We have reviewed the grant application and, if approved, will comply with those terms that are applicable to the BLM. If you have any questions or concerns, please contact Kenny Kendrick, Supervisory Resource Management Specialist, at (702) 515-5073 or kkendrick@blm.gov.

Sincerely,

Stephen Leslie
