Mandatory Grant Coaching Meetings:

New for 2024, Applicants to the Nevada Off-Highway Vehicles Grant Program must attend one of three possible meetings to ensure a complete grant application is submitted by January 5, 2024.

Purpose: Grant coaching is being offered to increase the number of complete and eligible applications submitted to the Nevada OHV Grant Program.

Need: Due to a rising number of OHV applications, and increased competition for funds, the Nevada Off-Highway Vehicles Program will not be accepting incomplete applications for further consideration.

Grant Coaching meetings will be hosted by the Nevada Offroad Association, a successful grant recipient. Program staff will be available to answer questions related each portion of the grant application.
