

NEVADA OFF-HIGHWAY VEHICLES PROGRAM
GRANT APPLICATION
Nevada Commission on Off-Highway Vehicles
Nevada Department of Conservation and Natural Resources

This application has FIVE sections which are all REQUIRED to be filled out in full. To avoid disqualification, all application areas must be concise and complete; certifications must be signed and dated. Applications missing required information will be returned to applicants for correction if identified before submission deadline for resubmittal before the deadline.

SECTION I - PROJECT AND APPLICANT INFORMATION

1. **Project Name:** Storey County NRS 490 Enforcement & Education/Outreach
2. **Project Timeline:** February 1, 2024 – January 30, 2025
3. **Applicant Name:** Storey County Sheriff's Office

Mailing address: 205 S. C St. - P.O. Box 498 -Virginia City, NV 89440
Phone: 775-847-0959
Email: ekern@storeycounty.org

4. Classification of Applicant: *(check one)*

- Partnership
- Non-Profit
- For-Profit
- Individual
- Federal
- State
- County
- Local
- Municipal
- Other (specify): add here.

If legal entity, must include proof of good standing in the entity's state of incorporation is required.
(NAC 490.1345)

Applicant Signature
(Chairperson/President/Authorized Official)

12/5/23
Date

5. Project Manager: Eric Kern

Mailing address:205 S. C St. - P.O. Box 498 -Virginia City, NV 89440
Phone:775-847-0959
Email:ekern@storeycounty.org

Alternate Contact: Brooke Beaumont

Mailing address:205 S. C St. - P.O. Box 498 -Virginia City, NV 89440
Phone:775-847-0959
Email:bbeaumont@storeycounty.org

6. Classification of Land Control: *(check all that apply)*

- Federally Managed Public Land (see **Note*** below)
- County
- City
- Private Land [Click or tap here to enter text.](#)
- Lease: Attach copy of lease with expiration date.
- R&PP: Attach copy of lease with expiration date.
- Other (specify):All lands under the jurisdiction of the Storey County Sheriffs Office.

**NOTE: If the proposed project is to be carried out on public land, attach any applicable written agreement with any government entity having jurisdiction over that land, including permits, leases, easements, and rights-of-way. (NAC 490.135)*

7. Landowner / Public Lands Manager Lands under the Jurisdiction of Storey County as defined in

NRS 243.335

Mailing address: 26 S B St, Virginia City, NV 89440
Phone: (775) 847-0968
Email: admin@storeycounty.org

8. The Landowner (Public Lands Manager) Must provide a letter that includes:

- a) For Public Lands - A letter of support for impacting the land from the governmental entity having jurisdiction. (NAC 490.135)
- b) For Private Land – Documented Interest in the land - *Proof of ownership, lease, rental, easement, right-of-way, written agreement or other legal instrument, scope inclusive to document ability to complete the proposed project; and to operate and maintain the proposed project for a period of not less than 25 years after its completion or for the normal life of the project, whichever is longer.*

9. Project Costs:

List grant request and matching funds directly related to the project:

State OHV Grant Request:\$62,654
Matching Funds: \$14,545

Total Project Amount:\$77,199

10. What are the sources or Partners for your leveraged (matching) funds?

- Federal
- Private
- In-kind
- City
- County

Other: Describe additional funding source(s) The Storey County Sheriff's Office will provide additional funds for overtime with enforcement, safety classes and presentations, VIN inspections and OHV registration drives. Deputies will continue to volunteer time planning and attending OHV events, promoting the OHV program and administering and management of the grant.

11. Contemporary letters of support are required (attach to grant proposal):

- a) Provide documentation from **Project Partners**, if not included elsewhere in this application, agreeing to provide matching funds or effort.
- b) TWO Letters of support from Non-profit organizations.

12. Project Type: check all that apply: [\(NRS 490.069 Sec.2c\)](#)

- Studies or planning for trails and facilities for use by owners and operators of off-highway vehicles.
- Mapping and signing of trails and facilities.
- Acquisition of land for trails and facilities.
- Reconstruction, enhancement or maintenance of existing trails and facilities.
- Construction of new trails and facilities.
- Restoration of areas that have been damaged by the use of off-highway vehicles.
- The construction of trail features and features ancillary to a trail.
- Safety training and education related to the use of off highway vehicles and registration.
- Efforts to improve compliance with and enforcement of the requirements relating to off-highway vehicles. ([OHV Enforcement Statistics Form](#) & [NRS 490 Memo](#))

13. TRAIL or FACILITY USERS:

Describe how this project impacts other trail users, communities, or others in outdoor recreation, include conflict mitigation strategy if necessary

This grant seeks to improve all trail users' experiences participating in outdoor recreational disciplines in Storey County, with a heavy focus on the Virginia Hills. The historic nature of our county draws tens of thousands of users throughout the year. This application seeks to create a proactive presence while enforcing NRS 490, provide education and outreach to those users of our open space, to minimize conflict between OHV riders and other trail users utilizing the trails identified in the NVOHV mapping inventory. It is our hope we will bridge the sometimes-contentious gap between the OHV community and the cyclists, hikers, and equestrians that use the vast open space in Storey County.

14. SCOPE of WORK:

- a) Provide description of project, with quantitative goals including applicable components e.g., studies, planning, mapping, trail & facility description, course or service provided, equipment maintenance, storage. storage studies, if applicable

Prior to 2023 the Storey county had no OHV / NRS 490 enforcement program, this is part of phase one of a multi-phase project for Storey County to have a robust and positive program in the county.

Phase one is equipment and education/outreach & enforcement.

Phase two is youth education in partnership with the NOS, robust in the field enforcement and training of additional staff, and volunteer corps.

Education, Outreach & Enforcement : To provide an overt presence for our team to improve NRS490 enforcement / compliance, offer off road etiquette, stewardship education and outreach opportunities through our staff, and partners. Enforcement expectations are in line with the opinion Memo of Anthony Walsh dated August 30, 2021 Subject: Parameters of Off High Vehicle Grant Funding in Connection to Law Enforcement Funding Requests, and the examples in Attachment F provided by the NVOHV Grant program.

Equipment Purchase two dirt bikes with police markings, police lighting package, and radio/ Bluetooth communication systems.

Execution: SCSO will assign qualified deputies trained in off-road motorcycle operation to work on the trails identified by the Nevada Off Highway Vehicle program within the under the jurisdiction cited in item 7 above. This work will target NRS 490 regulations focused on operation and registration requirements., multiple times during the year SCSO will partner with the Nevada Outdoor School, Tread Lightly! Pine Nut Mountains Trails Association ,and the Nevada Offroad Association.

b) What is the timeline for completing this project within 24 months of an award. ([NAC 490.1375](#)):

Phase one will be completed within 12 months.

15. STANDARDS/GUIDELINES - that will be applied to your project:

a) How does your project conform to *Local, County, State or Federal* guidelines, plans, processes, or zoning?

N/A

16. Has the applicant received funding from the OHV Program in the past?

No

Yes, if yes, complete the questions below:

Number of Projects Funded:1

Amount of Funding Received: \$67,070

Number of Projects Completed:0

SECTION II – LOCATION, MAPS, PHOTOS

Project Location:

County: Storey County

Nearest Municipality/Town/City: Virginia City

Center of project: Latitude & Longitude:39°21'27.1"N 119°37'47.0"W

Include Electronic Files: (.KMZ/.KML .GPX or SHP)

Required Maps:

For all maps, include a legend, north arrow, scale, and map name. Topographic maps preferred and maps larger than 11"x17" will not be accepted. You may include *additional* aerial/google maps.

1. General location map (showing project area within the state or county)
2. Detail map indicating specific project elements (e.g., structures, trail alignment)

Attach the following photographs:

At least two (2) overviews of the project area from different angles and distances.

NOTE: Good photographs at trail level and google aerials help the scoring committee to understand the location, depth and breadth of your project.

SECTION III – FEDERAL LANDS OR OTHER

Federal Environmental Compliance:

A. If Federal funds or Land are a part of the project and NEPA was completed, indicate which document was produced, and **attach the decision document to this application:**

- Record of Decision (ROD)
- Finding of No Significant Impact (FONSI)
- Categorical Exclusion (CX)
- SHPO 106 compliance/concurrence letter
- Other compliance documents already completed. (do not attach the EA or EIS)
- Not applicable

SECTION IV - BUDGET

Proposed Budget: Provide your budget details to include, at a minimum, the items in the following table. You may create your own spreadsheet and attach to the application.

Your budget must align clearly with your scope of work from Section 1, #14. Be specific, as your application will rate higher.

Reminder: Include all sources of funds for the completion of the project including federal, in-kind, private/city/county and state funds.

Attach copies of estimates to support your budget and identify what each contract will include.

EXAMPLE BUDGET

Item Description	OHV Grant Request	Matching Funds / Contributor	Total Cost
Contracts: Environmental studies			
Contracts: design, engineering & construction			
Direct labor costs: Salaries, including fringe, actual costs			

STOREY COUNTY NRS 490 ENFORCEMENT & EDUCATION/OUTREACH

SECTION V – PRIORITIES AND SCORING NARRATIVE

Grants will be scored based on answers to the Ten (10) criteria listed below. Each criteria carries a weight determined by the OHV Commission and voted upon during the public meeting for this application. See grant scoring sheet , with Grant announcement for weights.

1. **Planning, Environmental Studies, Conservation:** *Describe how the environmental studies, conservation and/or planning will mitigate resources impacted by OHV recreation. How will your project contribute to the conservation of our natural resources, while enhancing OHV opportunities? ([NRS 490.069 2.\(c\).1,6,7](#))*

Click or tap here to enter text.

2. **Trail mapping and signing of existing trails and facilities:** *If a mapping component is included in the grant, describe how it will be integrated with the current web mapping application found on OHV.NV.GOV ([NRS 490.069 2.\(c\).2](#))*

The Nevada OHV Grant Program has funded the mapping of trails on land under the SCSO's jurisdiction. This grant will allow for validation of those trails in the course of conducting NRS 490 enforcement. Errors detected during this situational 'ground proofing' can be reported to the Mapping Collaborative. SCSO will be doing NRS 490 enforcement on those mapped trails.

3. **Demand for New Facilities:** *Provide justification for NEW facility/program development: restrooms, trails, signs, and other amenities. ([NRS 490.069 2.\(c\) 3,4](#))*

This application is for new Sheriff's equipment to specifically conduct NRS 490 Enforcement, Education and Outreach. Storey county sees several thousand OHVs monthly. Many do not have registration, nor follow the guidelines in NRS 490.110 & 490.120. The OHV recreational growth continues to exceed expectations and not having a robust presence in education and enforcement exacerbates conflict and safety concerns. Our county has an ideal location both in trails in the NVOHV mapped inventory and the locations to do outreach and education in Virginia City, all of which will:
1-Increase safety of the OHV operator and those they interact with. 2-Enforce the registration and equipment requirements as mandated in section 490. 3-Promote Safe and responsible OHV recreation & Tourism in Nevada's most well known historic county.

4. **Enhancement or Maintenance of existing trails and facilities:** *How will maintenance needs be prioritized and how often will your project hold a maintenance/ trails enhancement event? HOW will your project be maintained and WHO has committed to the ongoing maintenance of the facility or trail (note: a minimum of 2 maintenance/ trail events are required per year). ([NRS 490.069 2.\(c\) 3,4,5,6](#))*

As previously noted this application will enhance the trails through promoting responsible use, and stewardship values, we are partnering with Tread Lightly!, the Pine Nut Mountains Trails Association, and Nevada Offroad Association, to reinforce the stewardship & T.R.E.A.D. principles. We have a commitment for Tread Lightly to join us on the NV OHV program mapped trails under SCSO's jurisdiction, to offer some stewardship guidance & education while our team is doing NRS 490 enforcement. All three groups have agreed to

participate in our event weekends with an education outreach presence at appropriate street events in Virginia City. This is also why we feel it is critical for SCSO to have a quality well logoed with the NVOHV program and partner graphics OHV. Traditionally having attractive piece(s) of equipment, in this case (2) off-road motorcycles will bring in visitors to engage. This includes children and their parents, as well as other OHVs. By removing the anxiety some have in interacting with the Law Enforcement community, SCSO feels it is imperative to have this public relations component to our program.

- 5. Connectivity/Loops:** *How will the project impact connectivity of OHV trails, facilities, and local communities? Include maps of areas impacted by your project and describe those impacts. (NRS 490.069 2.(c) 2.5,6)*

This grant will allow for SCSO, while doing NRS 490 enforcement, education and outreach to report back to the NV OHV Program's Mapping Collaborative of any trails on the land under the SCSO jurisdiction that are no longer loops, or have become loops.

- 6. Access:** *Describe how your project improves OHV access in the project area. Explain what access/opportunities would be lost or restricted if the project does not occur. (NRS 490.069 2.(c) 6,7)*

Having a positive NRS 490 enforcement posture intermixed with education, stewardship and the T.R.E.A.D. principles endorse connectivity to trails/routes in existence throughout the Northwest Nevada OHV community. Tourism is a very large part of Storey County, and we are working to promote a positive interaction and encourage OHV riders to visit. However we are at a tipping point where having no ability to do NRS 490 enforcement on the trails in the NV OHV program's trail inventory, under SCSO's jurisdiction, and the inability to meet riders where they recreate makes it difficult to continue to grow and welcome this level of OHV tourism / recreation in Storey county. We are concerned that continued use by uninformed or untrained riders will jeopardize Storey County access to the registered OHV recreationalist.

- 7. Training:** *Describe the goals and objectives of your public safety training program. Is it a nationally recognized certification? What sets your safety training program apart from the others? (NRS 490.069, 8)*

SCSO will utilize the training programs developed under this grant program by the Nevada Outdoor School, Tread Lightly! and the Nevada Offroad Association. There is no current OHV training program nationally that conforms to NRS 490 regulations.

- 8. Law Enforcement Strategy that addresses registration enforcement, including Public Education & Outreach aimed at increasing renewals and new registrations:** *How will your project increase the number of OHV registrations on the district. How will the equipment and time be used to increase OHV safety and awareness? Reference the Law Enforcement Statistics reporting form. (NRS 490.069 2.(c) 8, 9)*

If funded this grant will allow for SCSO to specifically target NRS 490 enforcement. This includes registration, equipment and operational consideration included but not limited to NRS 490.082, 490.083, 490.0825,

490.090 490.105, 490.110, 490.120 and 490.130, which includes NRS 484 compliance. Storey County has the largest per capita percentage of OHV registration (2021) and it is our goal to increase that even more. SCSO will carry education material when doing NRS 490 enforcement, as well as VIN Check forms and registration applications that can be completed during any stop of an unregistered OHV operated on land that SCSO has jurisdiction.

- 9. Partnering and Leverage:** *Who else is involved in this project? Describe outreach with stakeholders, partners and local governments, that you have communicated with in planning this project. (490.068, 3 (a) 2,3)*

SCSO is partnering with the Nevada Offroad Association, Pine Nut Mountains Trails Association, Tread Lightly and the Nevada Outdoor School.

- 10. Economic Integration:** *How will this project improve OHV recreation opportunities that help local, regional, or state economies grow? (NRS 490.069 2.(c) 7, 5)*

Tourism is a primary economic driver for parts of Storey County. It is only through a positive forward leaning posture in NRS 490 enforcement, education and outreach that the county can continue to encourage the OHV tourist to ride to Our communities to visit, spend the night or otherwise involve themselves in all the positive activities we can offer. If we are not able to assertively roll out this project it may jeopardize the ability of the county to support such tourism and OHV recreation.

Overtime for enforcement patrols, rider safety, training, registration drives, safety, and information presentations. (Deputy \$49 per hour x 100 hours) and (Sergeant \$73 per hour x 100 hours) ***\$12,200 paid by County***

Sergeant time for administration and reporting on grant (\$49 x 100 hrs.) ***\$4,900.00 paid by County***

Re: Storey County Sheriff's Office OHV Grant Application

Dear Commissioners:

The above stated off-highway project has Storey County support and approval as of June 1, 2023.

Storey County supports this application to establish an OHV education and enforcement program within the Storey County Sheriff's Office. This project includes all lands under the jurisdiction of the Storey County Sheriff, including the trails in the NV OHV Program.

Storey County agrees to provide any in-kind match or other tasks in the application that have been included in this application.

As one of the original nine Nevada counties, Storey County has held the jurisdictional interest in this land since 1861, and we are sufficient in scope and authority to allow the applicant to complete the proposed project.

If you have any questions or concerns, please contact me at 775.847.0968 or by email at countymanager@storeycounty.org.

Sincerely,

A handwritten signature in black ink, appearing to read "A. Osborne", written over a horizontal line.

Re: Letter of Support- Storey County Sheriff's Department

Commission Members,

Tread Lightly! supports the grant application from the Storey County Sheriff's department to cover the cost of an enforcement, education, and stewardship program within their department.

Through our Nevada program manager, other Nevada partners, and the Sheriff's department, we will assist in promoting the Nevada Ride Smart Ride Safe program, the T.R.E.A.D. principles, and champion ethics necessary to preserve responsible OHV recreation.

Additionally Tread Lightly will work with the SCSSO to incorporate the T.R.E.A.D. Principles as part of their OHV regulation education & enforcement. This could be as simple as providing the unit with informational literature, stickers and more to carry with them when they are out there working on the remote trails within their county, or as detailed as accompanying them on our Tread Lightly branded equipment (UTV) while they are in the more remote corners of the county. This puts law enforcement and education efforts in the one place that allows for individual one on one interaction... the very trails that OHV riders use.

SCSSO joining the Ride Smart Ride Safe initiative, allows for a comprehensive and consistent message that crosses all boundaries irrespective of where the OHV rider has started their ride. It is this messaging along with T.R.E.A.D. principals, ensure visitors and locals alike are well-informed and empowered to recreate responsibly.

Sincerely,

A handwritten signature in black ink that reads "Matt Caldwell". The signature is fluid and cursive.

Matt Caldwell
Executive Director
Tread Lightly!

RE: Story County Sheriff Enforcement, Education and Outreach

Nevada Outdoor school supports the grant application from the Story County Sheriff's Office (SCSO) to cover the cost of an enforcement, education and stewardship program.

We are ready to assist SCSO in promoting the Nevada Ride Safe Ride Smart OHV Safety program and to assist the communities by providing our OHV safety education in partnership with the Sheriff's Office and the Storey County School District, including our online and hands on education programs.

SCSO joining the Nevada Ride Safe Ride Smart initiative, continues to grow the comprehensive and consistent stewardship message to all OHV riders in Nevada, and having that consistent effort builds the necessary momentum to improve the OHV experience for all riders with safety and offroad ethics in mind.

Sincerely,

Melanie Erquiaga, Executive Director

Subject: Storey County Grant Application

The Pine Nut Mountains Trail Association (PNMTA) supports the Storey County application seeking funding to conduct *NRS 490 Enforcement & Education/Outreach*.

There is little doubt Storey County is the single largest annual draw for recreational Offroad riders in northwest Nevada. This consistent visitation by members of the OHV community has allowed for occasional conflicts between disparate users of Nevada's Public Lands. PNMTA supports a robust enforcement and education program to protect access for all users and afford a level of protection to the tourism efforts in Storey County.

PNMTA also looks forward to participating with the applicant during any number of events in Virginia City to offer a club level focus on stewardship and etiquette on our Public Lands.

PNMTA as Nevada's oldest *Public Lands Access Advocacy* club is focused on all types of recreational use and dedicates significant effort to advocate for protection of public access to Nevada's Public Lands.

Sincerely,

Jon Allen
President PNMTA

PNMTA is a Nevada Non-Profit, formed in 1998, dedicated to preserving access to public lands, and educating the public on responsible land use. PNMTA is best known for conducting annual public land clean up events resulting in the removal of over a quarter million pounds of trash from public lands.

DETAILS

SHELLBACK TACTICAL BANSHEE ELITE 2.0 PLATE CARRIER

Designed with input from military and law enforcement professionals, the Shellback Tactical Banshee Elite 2.0 Plate Carrier delivers superior comfort and mobility for your body armor gear. The adjustable Hypalon shoulders are wider than the original Banshee, so they lay flatter on your body. 3D spacer mesh allows for increased airflow to keep you cool, while a hidden quick release buckle means you'll never be trapped by your kit.

Fully customizable, this plate carrier armor accessory includes six rows of PALS webbing on the front and back and an integrated admin pouch for small gear. A removable, adjustable Banshee Elite Cummerbund with six interior pockets offers additional utility. The drag handle is sewn through so it won't let you down, and a separate pack pocket can hold a two liter hydration bladder. For durable, reliable protection, you can count on Shellback Tactical.

SPECS

- Berry Compliant
- 500-denier Cordura nylon
- Fits over soft body armor and uniforms
- Multiple PALS web attachment points
- 3D mesh padding on front and back shoulders
- Banshee Ultimate shoulder pads included
- Hypalon shoulders with four slits for comms / hydration open at bottom
- Two areas of loop for identifiers
- Pocket can hold up to a 2 L hydration bladder

About this item

- **Durable Kydex Construction:** The HSGI Kydex Handcuff Taco is crafted from rugged and impact-resistant Kydex material, ensuring the secure storage and protection of your handcuffs during demanding activities.
- **Adjustable Retention System:** Featuring an adjustable shock cord retention system, this handcuff carrier allows for quick and easy access to your handcuffs while maintaining a secure hold. It can accommodate a wide range of handcuff sizes, providing versatility for different models.
- **Versatile Mounting Options:** With HSGI's Universal Mounting System (UMS), the Kydex Handcuff Taco can be attached to MOLLE webbing, belts, or other compatible platforms. This flexibility allows you to customize your carry setup and have your handcuffs easily accessible wherever you need them.
- **Quick and Easy Access:** The HSGI Kydex Handcuff Taco is designed for rapid deployment of your handcuffs. The adjustable shock cord retention system allows for swift access, ensuring you can retrieve your handcuffs efficiently in high-pressure situations.
- **Reliable and Secure Hold:** Rest assured that your handcuffs will stay securely in place with the HSGI Kydex Handcuff Taco. The Taco design, combined with the adjustable retention system, provides a reliable hold, preventing accidental loss or unwanted
